# Creating One-Click Items

Go to Home > One-Click Items

You can either use an existing category or create a new one. To add a new category click Add a New Category.

The new category will default to be last in the list that appears on your register screen. You can change the position of the category. If you'd like the new category to be first in the list, change the number to 1.

The screenshot shows a form titled "Add New Category to One-Click" with a green header. It contains a "Page name" input field, a "Position on Register" input field containing the number "9" (highlighted with a red box), a "Cancel" button, and a "Save" button.

Add One-Click Items to any category by clicking the **+** button. Items will be added to whichever category is highlighted.

The screenshot shows the "One-Click Item Configuration" page. It features a navigation bar with categories: "Deli Flower" (highlighted), "Flower", "Pipes & Bong", "Paraphenalia", "Chargers & Batteries", "Cones & Papers", "Lighters", and "Test". A red box highlights a "+" button in the main content area. On the right, there is a "Back to Home" link and an "Add a New Category" button.

Enter the item's UPC or 4 digit code into the UPC bar

The screenshot shows a form titled "Add One-Click Item" with a green header. It includes a "Page Label" field with "Deli Flower", an "Instore item" toggle set to "No", a "UPC" field containing "6087" (highlighted with a purple box) next to a "Go" button, and a "Use custom colors" toggle set to "No". "Cancel" and "Save" buttons are at the bottom.

You can edit how the item will appear as a One-Click Item (its "button name") and other details. Then click Save.
