# Multi-Tier Promotions

MyBud allows you to create multiple tiers of [promotions](#) for the same item. This can be particularly useful when managing [deli style flower sales](#) with increasing price discounts for increased purchase quantities.

Set up your promotion [as usual](#). When you create a "cents off" promotion that requires a minimum purchase quantity, you will also see the option to add a tier.

## Edit Promotion

Back to Promotions

Choose Type      Add Detail      Add Items

**Regular Promotion**

Title: Tier 4 Flower Discounts      BR number required:  No

Valid From: 29-August-2023      Valid To:

Tax:  Pre-Tax

Type: cents off      Quantity/Rate: 35 @ \$4.00

Must buy qty:  Yes      Offer Limit:

You can create as many different tiers as you like.

Type: cents off      Quantity/Rate: 35 @ \$4.00

Must buy qty:  Yes      Offer Limit:

Min. Required	70	Offer Limit	1	Cents Off each	\$ 8.00	<input checked="" type="button" value="- Tier"/>
Min. Required	140	Offer Limit	1	Cents Off each	\$ 22.00	<input checked="" type="button" value="- Tier"/>

Type  Quantity/Rate  @

Must buy qty  Yes Offer Limit

Min. Required	<input type="text" value="140"/>	Offer Limit	<input type="text" value="1"/>	Cents Off each	<input type="text" value="\$ 22.00"/>	<input type="button" value="- Tier"/>
Min. Required	<input type="text" value="280"/>	Offer Limit	<input type="text" value="1"/>	Cents Off each	<input type="text" value="\$ 94.00"/>	<input type="button" value="- Tier"/>

The above example shows tiers for buying an eighth, a quarter, a half ounce, or a full ounce of deli style flower.
