Remote ATM Integration

Once you receive your Remote ATM terminal(s) from Ella Cash, integration with your POS is easy to set up.

On your POS, go to Tools > Store Setup > Payment Types. Your screen will look like this.

Then click on Ellacash in your <u>User-defined-types</u> section.

Once Ellacash is an option in your <u>Main Register Payments</u> section it will appear as a payment option on your register screen.

Click the Ellacash button when you are ready to accept payment, hit the Debit button and process and then complete the checkout on your Remote ATM terminal.

If you have any issues with the Remote ATM terminal itself please reach out to Ella Cash directly at 918-877-6098.
